INSTRUCTIONS

WOODFIELD HOMEOWNERS ASSOCIATION

REQUEST FOR APPROVAL FOR EXTERIOR HOME IMPROVEMENTS AND/OR ADDITIONS TO EXTERIOR OF HOME

IMPORTANT NOTE: Prior to requesting approval for exterior changes the homeowner must review the Protective Covenants and Restrictions for their subdivision, either Woodfield Blocks 1 thru Block 7 or Blocks 8 thru 13 for the legality and compliance of their proposal. Please refer to your Woodfield Homeowner’s website (<https://www.woodfieldtulsa.com>).

1. Please fill out your name, address and contact information.
2. Examples of exterior home improvements requiring pre-approval (but not by way of limitations):

Addition to Exterior of House: _____	Retaining Wall: _____
Brick Work: _____	Roof Repair, et al: _____
Concrete Work, i.e. Driveway/Patio: _____	Swimming Pool Addition: _____
Exterior House Painting: _____	Storage Shed Construction/Modification: _____
Fence Work/Addition: _____	Other(s), Describe Below: _____
Gazebo Construction: _____	

- Above ground pools are prohibited.
 - Re-roofing: See separate request Form 209R and procedure that is required for complete re-roofing.
 - Storage Shed Construction/Modification or Gazebo Construction Restrictions:
 - Siding material and roof shall be of the same type and color as the residence. The maximum size is 8' 0" wide by 12' 0" long. The side wall shall not exceed 6' 0" when measured from the top of the slab (or ground if no slab is used) to the top of the wall plate. The roof pitch shall not exceed 4/12". The maximum height to roof apex from slab (ground if no slab) shall not exceed 9' 0" including shingles.
3. Fill out all the applicable information about the exterior home improvement/ addition to the home.
 - A sketch/ design will need to be attached for Form 209ARC to be approved.
 4. We ask you to talk to your neighbors on all sides of home if the home improvement/addition is at least 6 feet near fence line shared between neighbors or is protruding above the height of fence.
 5. Have any of your neighbors expressed concern? For Example: A French drain being situated between properties. Backhoes or other large construction equipment may interrupt with neighboring properties.
 6. Include the location of structure/ improvement. For example: Northwest (NW/4) corner of Lot or East side of home.
 7. Please provide contractor name, address, phone, e-mail, and contractor license number of (if applicable).
 8. If you are creating an addition to the exterior of the home, please follow the rules and regulations to obtain the proper building permit.

Please allow 7 business days after submission to The Woodfield Homeowner’s Association architectural board member found on Woodfield’s Homeowner’s Association (HOA) website. Form 209ARC may be submitted by hand, mail, or by e-mail. If the HOA architectural board member disapproves of your request, then you will need to revise and re-submit Form 209ARC for approval.
